

Level 2 Diploma in Bricklaying

Study Type

Full Time

Course Area

Construction Trades

Course Duration

1 Year

Entry Requirements

Five GCSEs at grade 9-3 including English and Maths, or a full Level 1 qualification with a 'stepping stone' English and Maths qualification.

Course Information

This course will teach you the basics of bricklaying and help you to gain the skills and knowledge needed to successfully work on-site.

You will learn through a combination of practical lessons in our fully equipped workshops and classroom sessions to reinforce the hands-on techniques and knowledge you will develop. You will also benefit from excellent English and Maths lessons to ensure you have all the entry requirements needed to progress to a Level 3 course.

The skills you will learn include:

- Health and Safety
- Understanding working drawings
- Use of hand tools
- Basic brickwork and solid wall construction and bonds
- Cavity wall structures.

You are expected to complete 100 hours of work experience which will be supported through the College.

Progression

When you complete all aspects of the course, you can progress to a Level 3 in Bricklaying or on to an Apprenticeship.
