

GCSE Maths

Study Type

Part Time

Study Type Subcategory

GCSE

Course Area

English & Maths

Course Duration

1 Year

Course Information

GCSE Mathematics is essential for many higher education courses and careers.

This one-year course develops an understanding of mathematical methods and concepts. It is aimed at anyone who wishes to improve their maths who does not already have a previous grade 4 (C) in GCSE Mathematics or equivalent qualification.

The course helps students to develop knowledge, skills and understanding of mathematical methods and concepts enabling them to better use maths in everyday and real world situations. Students gain confidence in problem solving strategies, logical thinking and handling data, as well as building confidence and skills to solve practical mathematical problems.

GCSE Maths (day) - Tuesday 10:20am - 1:20pm.

GCSE Maths (evening) - Tuesday 6pm - 9pm.

Assessment

Exams to be taken at the College. Results are given on a grade system from 1 to 9 (9 being the highest grade). Students aim to achieve a minimum grade 4 at the end of the course.

Additional Information

Students aged 19 or over will be required to pay a refundable £50 deposit to enrol on this course, which will be returned upon successful completion.
