Course Information

This qualification forms part of a suite of VTCT hairdressing qualifications. At 422-502 guided learning hours (GLH), this qualification is larger than the VTCT Level 3 Diploma in Hairdressing Studies. Whilst both qualifications qualify learners to become senior hairdressers/stylists, this qualification in Women's Hairdressing requires learners to achieve more units and to develop a greater breadth of technical skills.

Hence, this qualification is most suitable for learners who wish to focus the majority of their Study Programme on hairdressing. In contrast, the Hairdressing Studies qualification is more suited to learners who wish to undertake a Level 3 hairdressing qualification alongside other smaller qualifications.

The qualification includes all the required elements to work effectively as an advanced hairdresser/stylist including: health and safety; client consultation; advanced cutting; styling and colouring techniques and; selling products and services to clients
