

Level 2 Falls Prevention Awareness (OL)

Study Type

Online

Course Area

Health & Science

Entry Requirements

Although there are no formal entry requirements for this course, due to the nature and course delivery of distance learning we require all applicants to hold a minimum of English Literacy Level 1 or equivalent.

If you are between 19 and 23 yrs of age you must also have already achieved a full level 2 qualification ie the equivalent of 5 GCSE Grades A-C.

This course is suitable for learners aged 19 and over.

Course Information

The purpose of this qualification is to increase learners' awareness and understanding of falls and their prevention which will allow them to progress into, or within, employment in healthcare or social care settings.

The objective of the qualification is to allow learner's to gain knowledge and understanding of:

- The impact and consequences of a fall
- Risks and hazards which contribute to falls
- Reducing the risk of falls.

The qualification also covers the importance of recording and reporting any incidence of falls to ensure that interventions can be put in place to reduce risk and reoccurrence of falls.

This qualification is aimed at anyone working in a healthcare or social care environment, particularly those that support, or have contact with, older people who have an increased propensity to falls.

Assessment

Once enrolled you will be provided with access to our online platform. This will provide you with an online information booklet for you to read through. You then will need to submit answers to a range of assessment questions on the online platform. You can complete this course at your own pace in a flexible way. You will have 8-10 weeks to complete all of the assessments.

Considerations

Please note you can only study one online course at a time. Upon successful completion, you can then apply for a new programme.
