

## **Level 2 Children & Young People Mental Health (OL)**

### **Study Type**

Online

### **Course Area**

Early Years & Education

### **Entry Requirements**

There are no specific recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already achieved a Level 1 qualification.

This course is suitable for students aged 19 and over.

### **Course Information**

The purpose of this qualification is to increase learner's knowledge and awareness of children and young people's mental health.

By completing the qualification, learners will develop knowledge of:

- Children and young people's mental health in context
- Mental health problems commonly associated with children and young people
- The impact of mental ill-health on children and young people
- Support available to maintain mental wellbeing in children and young people

### **Assessment**

All units will be individually internally assessed using a range of methods.

### **Considerations**

Please note you can only study one online course at a time. Upon successful completion, you can then apply for a new programme.
