Study Type

Online

Course Area

Early Years & Education

Entry Requirements

This qualification is suitable for learners aged 19 and above.

Course Information

This qualification aims to develop learners' understanding of autism and the principles of supporting individuals with autism - covering the person-centred approach and influence of positive communication methods, how to support positive behaviour, and how individuals with autism can be supported to live healthy and fulfilled lives.

This qualification is designed for learners who wish to develop an understanding of autism and how to support individuals with autism.

It's useful for learners who provide direct support and those working in sectors such as:

- Healthcare
- Social care
- Leisure
- Entertainment
- Education and training
- Nursing

Assessment

To achieve the Level 2 Certificate in Understanding Autism, learners must successfully demonstrate their achievement of all learning outcomes and assessment criteria of the units as detailed in the qualification specification. Grades are not awarded.

Considerations

Please note you can only study one online course at a time. Upon successful completion, you can then apply for a new programme.

Progression

The objective of this qualification is to help learners to progress within employment in a variety of sectors, and in a number of job roles where an understanding of autism and knowledge of how to support people with autism is required.
