Young Esporters

Study Type

Part Time

Study Type Subcategory

Young Learners

Course Area

Computing, IT & Game Development

Course Duration

6 Weeks

Course Information

Are you a young Esports enthusiast?

This course introduces young people to the world of Esports.

This will be delivered through 6 90 minute sessions. Each session is filled with exciting activities to include shout casting each other's matches, creating an Esports team and logo and competitive games design.

You will also get to meet and compete with Fareham Colleges very own Esports team. The Fareham Falcons!

Additional Information

The class does not run during half term holidays.
